

Medication / Script Repeat Request

THIS SERVICE IS ONLY AVAILABLE FOR CURRENT NURTURE FAMILY HEALTH CENTRE PATIENTS AND WHERE THE ORIGINAL SCRIPT WAS PROVIDED BY OUR DOCTOR AND THE PATIENT HAS BEEN SEEN BY THE DOCTOR AT THE CLINIC WITHIN THE PAST 3 – 6 MONTHS.

Please understand:

1. The Doctor requires 48 hours' notice to process a repeat prescription request.
2. If you require the script sooner, please make an appointment with the Doctor. To make an appointment you can phone the reception on 4772 2555.
3. The fee for a repeat prescription is \$20.00. There are a number of clinical and administrative steps required for a repeat prescription. The fee is in recognition of this and has no rebate.
4. All requests are considered by the Doctor and a decision is then made as to whether this repeat request is appropriate for your health care needs.
5. After consideration of your request one of our staff will contact you to advise -
 - a. **If YES - we are able to provide the repeat prescription and you will be required to pay the fee upon pick up. If the Script needs to be faxed and posted, an extra fee of \$5.00 will apply which must be paid for via credit card over the phone.**
 - b. **If NO - we are unable to provide the repeat prescription and organise an appointment for you.**
6. Repeat prescriptions for Schedule 8 drugs will not be provided.

Thank You

Nurture Family Health Centre Management.
